

SKYLOTEC is one of the leading manufacturers of fall protection equipment. This includes both personal protective equipment and permanently installed systems. In addition, rescue and rope access equipment for professional, official and leisure use is also part of the product range. We currently employ around 950 people worldwide.

Master Data Manager (m/f/x)

Overview:

Do you have an eye for clean data structures and enjoy improving systems and processes? As a Master Data Manager (m/f/x) you will play a key role in harmonizing and developing our product and master data across the SKYLOTEC Group on an international level.

Your Responsibilities:

- **Data harmonization & structure**
You establish and maintain consistent data structure to ensure reliable supply for our systems and platforms
- **Processes & Workflows**
You define, optimize, and implement workflows that guarantee the quality and accuracy of our data
- **Systems & interfaces**
You manage and further develop PIM, ERP, and PLM systems and design interfaces that connect processes efficiently
- **International collaboration**
You participate in international working groups and drive the harmonization of our product data worldwide

- **Quality & development**

You ensure that our product data is complete, up to date, and reliable - and you continuously improve our data landscape

Your Profile:

- Degree or vocational training in a digital field (e.g. Business Informatics, Data Analysis) and at least 5 years of relevant experience
- Strong knowledge of data models, relational databases, common exchange formats (JSON, XML) and API interfaces
- Experience with PIM systems, first insights into ERP/PLM, and proficiency in analysis and reporting tools
- Structured and reliable way of working combined with strong communication skills and assertiveness
- Excellent English skills, German is a plus

What we offer:

- A key position with international exposure and room for shaping processes and systems
- The opportunity to actively develop and influence the data landscape of an international group
- A motivated team, short decision-making paths, and an open company culture
- Permanent contract, holiday pay and Christmas bonus, 30 days' holiday
- JobRad

We look forward to receiving your online application.

If you have any initial questions, please feel free to contact us via our email inbox at "jobs@skylotec.de".
